## PHOTOS FOR NON-SENIORS

The Yearbook Club is making every effort to put together a yearbook for South students and to include a portrait picture of our underclassmen. Because we have been unable to take school pictures, we need your help!

Jostens has launched a new program which will allow you to take and upload a current picture of your child. In order to make this yearbook the best it can be, we are asking you to read over the directions and reach out to the yearbook staff with any questions at [gpsouthyearbook@gmail.com](mailto:gpsouthyearbook@gmail.com).

We ask that the photo of your child be school appropriate and adhere to the school dress code. The yearbook staff will reach out if there are any issues with a photo and request an alternate picture.

The deadline to submit photos is January 10, 2021. Click [here](#) for directions and go to the website [here](#). Photos received after the deadline may not be included in the yearbook. Please make every effort to submit a picture by the deadline to be included.

Our students have proven time and time again that they are strong, determined, capable, and can pivot like no other! As students move their schedule to accommodate their upcoming in-school face-to-face learning, it is important not underestimate the VALUE OF SLEEP!! This article is coming to you from [Mrs. Khory](#), School Psychologist here at Grosse Pointe South on the importance of developing a good sleep routine. [Make sure to check out the article](#) and as always, reach out to our [Counselling Center](#) for someone to talk to. *Even the most stable students have tough days!*
