The Zoo is also open with reservations, they also have online, live viewing programs [Detroit Zoo: Home](#)

The DSO is performing virtually-check out their schedule and consider buying virtual tickets! [Detroit Symphony Orchestra](#)

Belle Isle is also still open and a wonderful place to visit and unwind! [Belle Isle Aquarium](#)

## *Thanksgiving - COVID Style*

While this Thanksgiving may look a little different, you can choose to embrace the change and make your own rules. See what your teachers & staff are up to this Thanksgiving break.

Mrs. Petz:

Run my own Turkey Trot. I usually run in the Detroit 10K Turkey Trot, but instead I'll run it anyway, just on my own, hope to see you on Lakeshore!

Mrs. Khory:

[Playing on line games.](#)

Mr. Palen:

Spending a lot of time snuggling with Lola & Teddy

Mrs. Cavera:

Organizing a coat or can drive for the holiday season

Mrs. Mades:

Bake Pies. Eat Turkey. Decorate for Christmas. Clean the house.

Students of Mr. Cox:

- Family walk outdoors on Thanksgiving day is a healthy ritual that lets people soak up some Vitamin D and savor the change of seasons.
- Zoom with family members across the country, share a bit about a dish they made that day--conversation and recipe swap.
- Backyard campfire to catch up with each other outdoors
