**INNOVATIVE TECHNOLOGY (iTech) (PILOT)**

**.5 CREDIT**

Innovative Technology (iTech) is a semester elective that teaches students the 21st Century Skills they need to become successful in both college and work environments. Students in iTech will study the impact of technology on the world they live in and use cutting-edge technologies (such as 3D printing and coding) to create prototypes that improve the daily lives of others. This course requires the use of the Google Suite for Education.
