

LET'S KEEP GROSSE POINTE GREEN!

Over 6 tons of plastic bottles are thrown away
at sporting events in the Grosse Pointes each year!

That's nearly half a million bottles!

Support from your organization or business
will help place 37 recycling bins
at 15 public school field locations.

Bins will be moved inside during the winter to
accommodate indoor sporting events.

Sponsor a bin for only

\$500

for organizations or businesses
