**GROSSE POINTE PUBLIC SCHOOL SYSTEM
TECHNOLOGY DEPARTMENT**

AGENDA TITLE: ECF Chromebook Purchases

BACKGROUND INFORMATION:

In the Summer of 2021, The Universal Service Administrative Company (USAC) announced over \$7 billion in funding for public schools and libraries across the country for purchase of tools and services that will help keep their community connected in response to the COVID-19 pandemic.

The Grosse Pointe Public School System has been awarded a total amount of \$411,252 for the purchase of 1200 devices. Although this amount has been committed to the school district, the need is estimated to be around 600 devices. These devices will be able to go into the hands of secondary students (grades 5-12) who are currently using much older devices provided by the school district that were originally designed to be in classrooms.

GPPSS is requesting Board approval for the purchase of 600 Chromebook devices, purchased through Sehi (quoted through cooperative agreement REMC) for a total of \$205,626

What is in this letter?

Thank you for submitting your Emergency Connectivity Fund (ECF) funding application.

Attached to this letter, you will find the funding statuses for the ECF FCC Form(s) 471, Services Ordered and Certification Form, referenced above.

The Universal Service Administrative Company (USAC) is sending letters to both the associated applicant and the service provider(s) so that you can work together to complete the funding process.

Next Steps

Submit Requests for Reimbursement to the Emergency Connectivity Fund (ECF) Portal.¹

The Commission in the *Emergency Connectivity Fund Report and Order* provided two ways for applicants to be able to invoice for eligible equipment and services through the Emergency Connectivity Fund Program.² Applicants and service providers, who agree to invoice on behalf of the applicant(s), are allowed to submit ECF Program requests for reimbursement.

¹ The *Emergency Connectivity Fund Report and Order* directed USAC to make the invoicing system available 15 days after the issuance of the first wave of commitments for the Emergency Connectivity Fund Program. *Establishing the Emergency Connectivity Fund to Close the Homework Gap*, WC Docket No. 21-93, Report and Order, FCC 21-58, para. 98 (rel. May 11, 2021) (*Emergency Connectivity Fund Report and Order*) If your funding commitment was released as part of the first wave, you may need to wait 15 days prior to submitting your request for reimbursement. USAC will announce when the invoicing system is available and requests for reimbursement can be submitted.

² *Emergency Connectivity Fund Report and Order*, at para.93.

- **If you (the applicant) are invoicing:** After receiving the ECF-supported eligible equipment and/or services, you will file the [ECF FCC Form 472](#), the Billed Entity Applicant Reimbursement (BEAR) Form to invoice for reimbursement of the ECF-supported eligible equipment and/or services. If you request reimbursement prior to paying your service provider(s), you will be required to provide verification that you paid your service provider(s) within 30 days of receipt of funds.
- **If your service provider(s) is invoicing:** The service provider(s) must provide the ECF-supported eligible equipment and/or services and then file the [ECF FCC Form 474](#), the Service Provider Invoice (SPI) form, to invoice for reimbursement for the ECF-supported eligible equipment and/or services provided.

Applicants and service providers, who agree to invoice on behalf of the applicant(s), must provide invoices detailing the items purchased, along with the requests for reimbursement. In general, any request for reimbursement submitted without the necessary information will be rejected with an explanation as to the deficiency, and the funding recipient will need to timely resubmit its invoice submission in order to receive reimbursement.

Notice on Rules and Requirements

The applicants' receipt of funding commitments is contingent on their compliance with all federal, statutory, regulatory, and procedural requirements of the ECF Program and the FCC's rules. This also includes the certifications under penalty of perjury contained in their funding application(s). Funding recipients are subject to audits and other reviews that the Commission and other appropriate authorities may undertake periodically to ensure that committed funds are being used in accordance with such requirements and for their intended purpose. Please see paragraphs 116-134 of the Commission's *Emergency Connectivity Fund Report and Order* for more information regarding the Program's documentation, certification, and audit requirements.

As referenced in paragraph 101 of the *Emergency Connectivity Fund Report and Order*, attached to this letter is the full text of Appendix A to 2 CFR Part 170, which provides additional information about the reporting requirements for reporting executive compensation (through <https://www.sam.gov>) and subaward activity (through <http://www.fsr.gov>) under the Federal Funding Accountability and Transparency Act of 2006 as amended by the Digital Accountability and Transparency Act of 2014 (collectively the Transparency Act or FFATA/DATA Act) for award and subaward payments that equal or exceed \$30,000.

On behalf of the FCC, USAC may be required to reduce or cancel funding commitments that were not issued in accordance with these requirements, whether due to action or inaction of USAC, the applicant, or the service provider. The Commission and other appropriate authorities may pursue enforcement actions and other means of recourse to collect improperly disbursed funds.

How to Appeal or Request a Waiver of a Decision

You can appeal or request a waiver of a decision in this letter **within 30 calendar days** of the date of this letter. Failure to meet this deadline will result in an automatic dismissal of your appeal or waiver request. **Please note that this is shorter than the deadline for appeals in the E-Rate Program.**
