**PROPOSAL FOR QUALIFYING A COURSE TO FULFILL THE
GRADUATION CREDIT IN VISUAL, PERFORMING AND APPLIED
ARTS**

Course:

Department:

Date:

Names of Instructional Staff Proposing Course Qualification (must include staff from both high schools):

In answering the questions below, instructional staff should use the **Michigan Merit Curriculum for Visual, Performing and Applied Arts** approved by the State Board of Education on September 12, 2006. It is available on the MDE website or from the Department of Curriculum, Assessment and Instruction.

- I. Please provide short statements regarding the following:
 - a. How will the units in this course meet the standards for engaging and effective units?
 - b. How will the instruction be relevant to students in today's rapidly changing world?
 - c. How will student assessment be used as a tool for learning and ensure that students are actively engaged?
- II. Please attach the course curriculum indicating which arts strands (Create, Perform/Present and Respond) and the objectives of the Visual, Performing and Applied Arts Credit Guidelines will be fulfilled within the course.
