

Dear Class of 2024 and Parents,

We are excited to welcome you into the building on January 25, 2021. The purpose of this day is to allow you some time to become familiar with the building, meet your teachers and classmates, and to become comfortable with your transition to South. Many of you have already toured the building with your Link Crew Leader, but we wanted to provide you with another opportunity to be in the building in a stress free environment before classes start.

The schedule for the day is as follows: Cohort A will be in the building from 8:00 am to 11:19 am and meet with all of their teachers. Cohort B will be in the building from 11:51 am to 3:05 pm and meet with all of their teachers (please see the schedule below). Class periods are 23 minutes long with a 5 minute passing period. Note the following: Lunch will not be provided.

Here is some key information and tips for you:

- Write down your schedule on a piece of paper. Include the class period, name of class, teacher name, and room number. This information can be found in the Parent Portal. Bring this with you so you have the information.
- Students in cohort A will be able to enter the building at 7:50 am. Students in cohort B will be able to enter the building at 11:41 am. There are 2 drop off/pick up locations for students getting a ride to school. One is on Grosse Pointe Blvd, the other is in front of the Boll Center on Fisher Rd.
- Students must have a mask on while on school grounds and in the building at all times.
- Upon entering the building, you should locate your locker and open it up using the combination provided in the Parent Portal. Hall monitors, Link Leaders, and administrators will be in the hallway to assist you if you have difficulty accessing your locker. Make sure to have your locker number and combination memorized.
- Print out the map of the school. Locate your classes on the map and try to determine the best route to get to your classes. Hall monitors, Link Leaders, and administration will be in the hallway to help you find your classes. We will also have maps available for you at the school.
 - [South Map](#)
- Content will not be covered in class so you do not need to bring books to class. You may however want to bring paper and a writing utensil.
- Please be familiar with and follow all of the instructions in the [South Return to School Plan](#).

If you have any questions about finding your locker number or schedule in the Parent Portal, please contact Heidi Hannan at 313-432-351 or hannanh@gpschools.org. Mrs. Hannan is one of our secretaries in the main office. If you have general questions regarding the day, please contact assistant principal Cindy Parravano at 313-432-3511 or parravc@gpschools.org.

We look forward to seeing you on January 25!
